1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55 am on each school day.

The register for the first session will be taken at 9.00 am. The register for the second session will be taken at 1 pm for Key Stage 2 pupils and 1.15 pm for key stage 1 pupils.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9 am or as soon as practically possible (see also section 6).

Parents should ring the school office, and either speak to a member of staff or leave a voicemail message.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents can notify the school of these appointments by telephone, in writing or speaking to staff.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Regular persistent lateness will result in the school contacting the parents/carers of the child to arrange a meeting to discuss the issue.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

Where a child is not shown as in attendance and no reasons for being absent have been given, then the school will contact the parent/carer to ascertain the reason for none attendance in line with the school safeguarding policy.

3.6 Reporting to parents

Our end of year reports to parents/carers, will show the child's attendance record for that academic year. This shows the level of attendance together with authorized and non-authorized absences'

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes keeping children off school unnecessarily, truancy, absences which have not been properly explained and children who arrive in school too late to receive a mark in the register.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

Children are rewarded at the end of the academic year for 100% attendance. Each week class attendance is given out in the Good News assembly and the class with the highest rate of attendance that week receives an award. This will be placed on the school newsletter.

Any problems with regular attendance are best sorted out between the school, parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give into pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse. Parents are expected to contact the school at an early stage and to work with the staff in resolving problems together. This is nearly always successful. If problems cannot be sorted out this way, the school may refer the child to the Educational Welfare officer (EWO) from the local authority. The EWO will also try to resolve the difficulties by agreement, but, if this fails they can use court to prosecute or seek an Education supervision order on the child.

6. Attendance monitoring

The attendance officer monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents should contact the school each day that their child is ill

If a pupil's absence goes above 5 days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continues to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

7. Roles and responsibilities

7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

7.2 The headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The attendance officer

The attendance officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

7.4 Class Teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 School Admin staff

School admin staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed every two years.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy
