

09.09.2025

Dear Parents,

Welcome back! We hope you had a lovely summer break and a good rest. We are looking forward to getting started with our learning once we have settled in, established routines and expectations.

School times

Just a reminder, the school day begins at 8.45 a.m. We will be outside in the morning ringing the bell at 8:40, so we can make a prompt 8:45 start. We will dismiss the children from the playground at 3:15p.m.

Reading

All children will come home with a reading book and record. We encourage you to listen to your child read each night. Each read will be acknowledged with a Gold Stamp. Your child will be rewarded after 50 reads, 100 reads, 150 reads and 200 reads.

Reading regularly builds confidence and fluency and supports the hard work they do in school!

Homework

Homework will be given out on a Friday and we ask that it is handed in the following Friday.

P.E.

Your child will have their PE session on a Tuesday and Wednesday afternoon. The children's PE kit is a white t-shirt, black jogging bottoms and jacket. Please make sure their PE kits are in school; we will send these home at the end of term to be washed.

Uniform

Please ensure that your child's uniform is all labelled, including ties. A coat must be brought to school each day, as we go out come rain or shine. When the weather starts to get colder, we encourage children to bring in hats and gloves.

Forest School

Apple/Blossom Class will be having a Forest School session each half term. The first session will be Monday 13th October 2025. Please make sure warm, waterproof clothing and footwear is brought into school on this day.

If you have any questions or queries, please feel free to speak to me after school, or leave a message at the office, and I will contact you as soon as possible.

Kind regards,

Mr Smith

Year 2

Year 3

In English we will be learning about	Wellbeing Unit: Dragons and Feelings Traditional Tales	Wellbeing Unit: Dragons and Feelings Traditional Tales
In Maths we will be learning about	Place Value Addition and Subtraction Shape	Place Value Addition and Subtraction Multiplication and Division
In Science we will be learning about	Materials Scientists and Inventors	Materials Scientists and Inventors
In RE we will be learning about	Creation and Covenant Prophecy and Promise	Creation and Covenant Prophecy and Promise
In History we will be learning about	Space Travel	Space Travel
